 Forget Me Not
MINISTRIES

THE NEED ~

In Romania, the Roma (Gypsy) community are a hated society who are trapped in a cycle of abuse, abandonment, neglect, lack of education, and extreme poverty.

Over 9,000 children (majority Roma) are abandoned yearly in Romania. Roma girls enter into child marriages between 9-15 yrs of age, with which many are sold into sex trafficking. The Roma are the outcasts of societies.

THE PURPOSE ~

FMN Ministries carries a burden to provide HOPE and a FUTURE to the Roma children and families who are left behind, forgotten, and discarded.

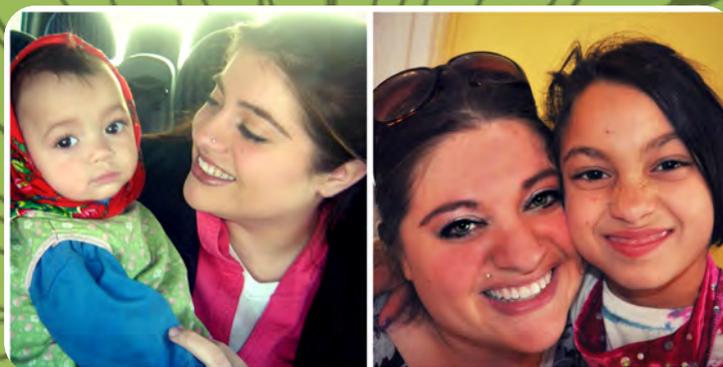

We seek to provide stability and nurture in a holistic approach by offering training, education, Bible studies and spiritual growth, work opportunities, childcare programs, and micro enterprise.

YOU CAN BREAK THE CYCLE ~

YOU are preventing another Roma child from abandonment when you sponsor children from The Isaiah Center and Seeds of Hope.

Join us in praying as "we will accomplish little eternal significance apart from prayer!" Bringing teams, purchasing Joy Beadz, becoming a prayer partner, and sponsoring a child are all ways to make a difference!
