Dear

We are celebrating as Forget Me Not Ministries **“Turns 15”** this year! FMN continues to work with Roma Gypsy families in Tinca, Romania, where we face the ever challenging task of **educating, equipping and empowering the Roma families working to prevent abandonment, abuse, trafficking, and child marriages.** As God continues to provide through our faithful partners, our Roma families receive employment, childcare, education, and Biblical studies to help in training to support and care for their families.

In light of the hardships of 2020 and the beginning of the pandemic, we were overjoyed with the success of our first ever “Virtual” Benefit. There was a definite learning curve for all of us in 2020. And now, things continue to change as we are planning **our first hybrid event this year.** On **Thursday, September 23rd, from 6:00-8:00 pm,** we will be having our Benefit at **The Grand** in New Albany, Indiana. All the bidding will be online like last year, so bidding can happen at the event or anywhere you might be. You can get more details by scanning the QR code on the enclosed invitation or going to our website: www.fmnministries.org. Limited tickets available!

We would be honored if you could help support the FMN ministry by:

- Donating items for our silent/live auction
- Make a financial contribution
- Be a prayer partner
- Purchase tickets to attend the event

Many thanks and blessings,

Rachel Ross
Executive Director
